My colleague, Nicole Distefano, shared your message regarding your interest in a briefing from EPA regarding the letter EPA Region IX sent to the Navy regarding the Hunters Point Naval Shipyard cleanup. I wanted to see if you would be available for a call with my Superfund Division colleagues on Friday, September 30th at 10:30am PT (1:30pm ET). We could also do a call at 11:00am PT (2:00pm ET) if the suggested 10:30am time does not work.
